Re:-Short . . diesel oil at Atheri.

Sirs,

With reference to your letter No.PN-3-795/50-51 dated the 31st January 1951, I have to inform you that in order to ensure regular supply of diesel oil, it is desirable to enter into a regular contract with the oil suppliers instead of purchasing your monthly requirements through the local agents of the Oil Companies. As there is no control over diesel oil at present and since no monthly quotas have been fixed by Government for each undertaking, you will have to make your own arrangements to obtain the oil. It should be noted that the power house can not be stopped . . for want of diesel oil as it is freely available in the market.

Yours faithfully,

Electrical Engineer to Go
